RANDY!

WE'LL MISS YOU

Plant Manager, Randy Hartman, retired at the end of April. Randy was with CAB from the very beginning and his contributions to the success of this company are too numerous to count. Randy was a skilled mechanic, compassionate manager, and one of the most caring people you could ever meet.

Many of us had the opportunity to celebrate his retirement as seen in the photos on this page and while we all wish him the very best in his retirement, we will undoubtedly miss him dearly. Randy always had a story to share and a smile on his face. His hard work and dedication over the more than 11 years he was with CAB will not be forgotten.

We all wish Randy a long and Happy Retirement and we thank him for his years of service with CAB.

Community Involvement

Our Chief Financial Officer also serves as a volunteer with Riverside Police Department. (P.L.A.Y.) Police Leading Active Youth, holds a tennis camp for kids ages 7-13 years old.

The program is intended to create a positive relationship with Police Officers and juniors in our community.

The camp provided a well-rounded program offering information on the history of tennis, observance of tennis rules and etiquette around the court, instruction and other activities.

Kids learned the fundamentals of the forehand, backhand, serve-and-volley and scoring.
